As required by law, the Ohio Department of Taxation is conducting a review of Motor Vehicle title transfers.

As part of this review, we have evidence that you paid \$xx.xx for the Motor Vehicle listed above instead of the \$xx.xx, as indicated by you when you obtained the title. Please remit \$xx.xx in additional sales and use tax due, made payable to the "Treasurer - State of Ohio".

If you disagree with the purchase price of \$xx.xx, you must provide documentation to support your claim. Examples of acceptable documentation include: bill of sale, copy of cancelled check (front and back), receipt and/or notarized statement from the seller. Please note that a copy of your title or receipt from the title office is not acceptable.

Please return your payment and/or additional documentation to the address above by Month 00, 2016. Failure to respond to this notice will result in the issuance of an assessment for additional tax, penalty and interest.

Any false representation of the price would be in violation of Ohio Revised Code section 2921.13. Violation of this section is punishable by a fine of up to \$1,000 or six (6) months imprisonment, or both.
